

Unique opportunity to operate a family day care in Lennox Head

Le Cocon Family Day Care is truly one of a kind. Located in the beautiful coastal town of Lennox Head, Northern NSW, children thrive in an all-natural, multi-cultural environment, complete with food forest, organic meals and chemical-free products.

Established in 2015, the family day care fast developed a reputation for its high quality of care which lead to a waitlist too long to be accommodated. As such, the team is seeking the ideal candidate to operate the space independently but under the same philosophy.

About the role

- Provide care for up to four children under school age full-time or part-time.
- Weekly programming.
- Daily documentation of children's learning.
- Day-to-day administration.

Benefits and perks

- Mentorship from experienced family day care educator and child psychologist.
- Working in a sustainable, educational environment based on the philosophies of some of the world leaders in the field.
- Generous allowance for the purchase of new toys and furniture.

Skills and experience

- Good English and French communication skills.
- Australian citizenship or working visa.
- Minimum of a Certificate III in Children's Services (or willing to study).
- Working with Children Check.
- Current approved certification in:
 - First aid,
 - CPR,
 - Asthma and anaphylaxis management, and
 - Food handling.
- Registration with Ballina Byron Family Day Care Scheme (assistance provided).
